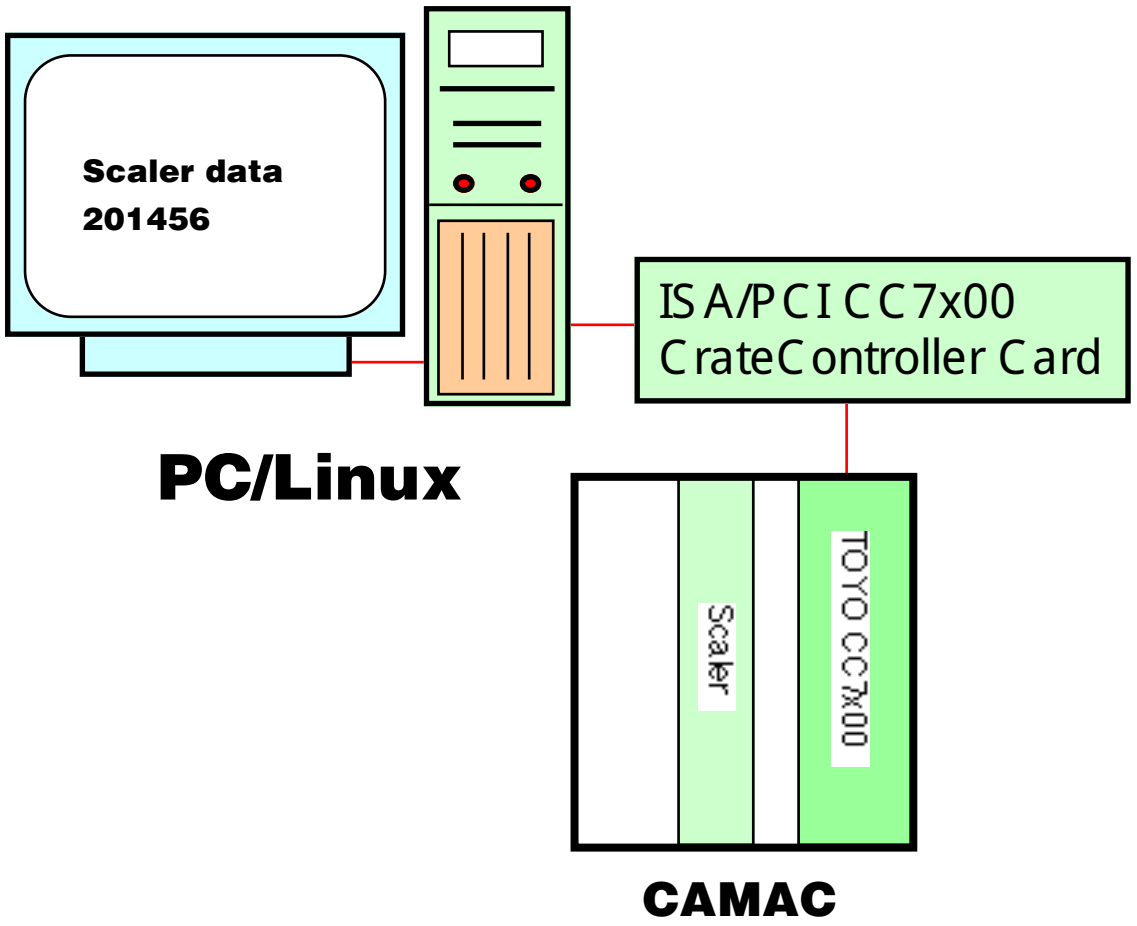
# Java Interface to CAMAC Library



**main.java**

```
ISAcc7000 cc = new ISAcc7000();
                  |
cc.open(CrateNo, Base, IRQ);
                  |
status = cc.camac(..., data, ... );
                  |
System.out.println("Scaler data");
System.out.println( data[0] );
                  |
```
